Total Required	Required Courses	10						
	Elective Courses (Minimum Credits Required)	18						
	Total	28						

1. Postgraduate students who enroll into courses provided by other departments must obtain approval from their supervisor or the head of the Graduate School by their signature on the enrollment sheet. Only credits earned from courses provided by this Graduate School are counted towards graduation credits.
2. **Generally, postgraduate students are limited to 25 credits per semester and shall not be less than 1 course(excluding pre-courses and mending courses).** The minimum credits requirement aforementioned is not applicable to students who are in their extended period of study, nor to returned students, if one fourth of their required credits is offset. Other exceptional circumstances concerning the credits requirement are subject to the approval by the Head of the Department.
3. Postgraduate students of this Graduate School must enroll into the compulsory and optional courses and earn a minimum of 28 credits (excluding credits earned from their dissertation for degree and must enroll and pass Financial Law Elective course and earn at least 12 credits), and pass examinations required by the Regulation of Postgraduate Degree Examination of this University and departmental professional basic competency tests (failing which will be subject to alternative evaluation measures) before they can graduate.
4. Prior to their graduation, students enrolled in the master program must satisfy the requirement set by the University English Competency Assessment Regulation. Students who fail to meet the requirement set by the University English Competency Assessment Regulation must enroll into the courses of “Practical Legal English I” and “Practical Legal English II” and pass those course in order for them to be eligible for graduation.
5. The listed optional courses are provided in accordance with the relevant regulations of the University, and are subject adjustment according to the actual enrollment of each semester.
6. The optional courses on this list of compulsory and optional courses can be applied retroactively to students enrolled before the **107th** academic year.
