Note :

In accordance with the General Provisions for Study, undergraduate students need to satisfactorily complete Service Learning, meet the

Ming Chuan University Financial Law Department Course Outline for all students entering in 2017 university-wide basic competencies of English, Information Technology, Chinese, and Sports, and pass the core competencies of their department to be eligible for graduation.

Students who entered in and since the 2008-09 academic year need to complete at least 12 General Education course credits. General Education courses are divided into three areas: Humanities, Social Science, and Natural Science. Each area is divided into two subcategories: core and extended. Students need to take 1 two-credit course in both of the subcategories within each area to be eligible for graduation. Only 12 course credits will be counted toward graduation. Additional course credits earned in General Education courses are not counted toward graduation.

Students can't study "Civil Code: Obligation General" and "Civil Code: Things" courses without having finished the study of "General Principles of Civil Code" course.

Students can't study "Criminal Code: Parts" course without having finished the study of "General Principles of Criminal Code" course.

Students can't study "Civil Code: Obligations Parts" course without having finished the study of "Civil Code: Obligation General" course

For the compulsory and optional courses provided by Departments other than those of the School of Law and enrolled by a student of this Department, this Department will recognize up to 17 credits, any surplus credit will not be added into the graduation credits required by this Department.

Credits awarded to a student of this Department from the compulsory and optional courses provided by other Departments within the School of Law may be added into the graduation credits required by this Department.

The credits of the earned "Teacher Education Curriculums" can't be counted in the total graduate credit hours of this Department.

The elective courses on this Course Outline may be counted toward total graduation credits by students who entered the university prior to the 2016-11 academic year.
